June 15, 2017

Sub: Drug Licence Number of the Chemist Shop is mandatory in the bills for Ayurvedic medicines reimbursement.

It has been noticed by the IIT Hospital that the bills/cash memos being submitted by the beneficiaries for ayurvedic medicines purchased from chemist shops do not bear or indicate the Drug Licence Number of the chemist shop. Drug licence is required by the chemist for selling such medicines.

In view of the above, hence forth all beneficiaries are requested to kindly purchase ayurvedic medicines only from those chemists who have drug licence number, without which IIT Hospital may not be able to process their claims for reimbursement.

This has approval of the Competent Authority.
