---

Dear Sir/Madam,

On the directive of the Administration, necessary arrangement has been made by Head, Hospital Services, IIT Hospital, to post a doctor from 8.00p.m. to 8.00a.m. in the night in the Hospital with effect from today, i.e. 8th January, 2018. This will be an additional facility/service to the beneficiaries. The regular in-house doctor will also be available on call as at present.

All beneficiaries are requested to kindly take note of the above facility.

However, in case of life-threatening condition or situation, they should call ambulance directly and visit the nearby empanelled hospital for emergency treatment to cut short the time in getting tertiary care service.

For any information or details, please contact Dr. Brahm Prakash, Head, Hospital Services, IIT Hospital, Phone No. 1535 (Internal).

This has approval of the competent authority.

Thanking you,

Yours sincerely,

N. BHASKAR  
Assistant Registrar  
Health Unit

---
