IITD/ICDN/2019/56102
January 2, 2019

Sub: Partial Modification of norms and rules for availing Diagnostic Tests from recognized labs outside by the IITD beneficiaries (serving and retired).

Ref: Notification No. ICDN/2018/182415 dated 18.6.2018.

In partial modification of the guidelines notified earlier as above, the following revised and modified norms/rules for availing Diagnostic Tests from other labs outside have been approved by the competent authority and are accordingly notified for kind information of all the beneficiaries.

DIAGNOSTIC TESTS:

• **Pathology Tests:**

Tests can be done at any NABL accredited Lab or CGHS recognized Lab/hospital. Reimbursement will be made at Institute rates as applicable. If institute rates are not available for any test, then CGHS rates will be applied. In case CGHS rates are also not available, then 75% of the claimed amount will be processed for reimbursement.

• **Radiology and other Test:**

Tests can be done at any NABH accredited Hospital or CGHS recognized Labs/hospital for the same. Reimbursement will be made at CGHS rates. If CGHS rates are not available for any test, then 75% of the claimed amount will be processed for reimbursement.

The beneficiaries may accordingly avail the pathology, radiology and other tests from the recognized labs as per the above norms/rules. Reimbursements will also be processed by the IIT Hospital accordingly.
