Kind Attn: All Faculty / Staff / Students

Dear Sir / Madam,

We are pleased to inform you that IIT Hospital is planning to organize a Workshop on Dengue shortly.

In this connection, as suggested by Head, Hospital Services, before the workshop is scheduled, it is proposed to seek the interest/willingness of those who would like to participate in the workshop so that the arrangements can be made accordingly and suitably.

It is therefore requested that all faculty, staff and members who would like to attend the Workshop on Dengue may kindly send an email or write to Dr. Ashfaque Hussain, IIT Hospital to inform their willingness to participate in the said workshop. Their family members are also welcome and invited to attend the workshop.

Email of Dr. Hussain : mhussain@hospital.iitd.ac.in
Telephone : 1538.

The email/note may be sent latest by 17th June, 2016.

The workshop is likely to be scheduled by the end of this month in the Seminar Hall based on the response received from the community.

For any further information/details, Dr. Brahm Prakash, Head Hospital Services or Dr. Hussain, IIT Hospital may kindly be contacted.

Yours sincerely,

N. Bhaskar
Assistant Registrar (SS)
Coordination Section & Health Unit
IIT Delhi.
